

A person is silhouetted against a bright sunset over a range of mountains. The sun is low on the horizon, creating a warm, golden glow. The person stands on a dark, grassy hillside, looking out over the landscape. The sky is filled with soft, wispy clouds, and the overall atmosphere is peaceful and contemplative.

WE Are God's Temple!

Michael D Havens

We are the temple of
the living God

The very presence of God, lives in us in the Holy Spirit. Christ is inside of each of us, as before in the tabernacle, and then the temple, our body the outer court, then the inner court our soul and mind, finally our heart, the holy of holies, we are to be outposts of the living God, meant to be filled with the very glory of God

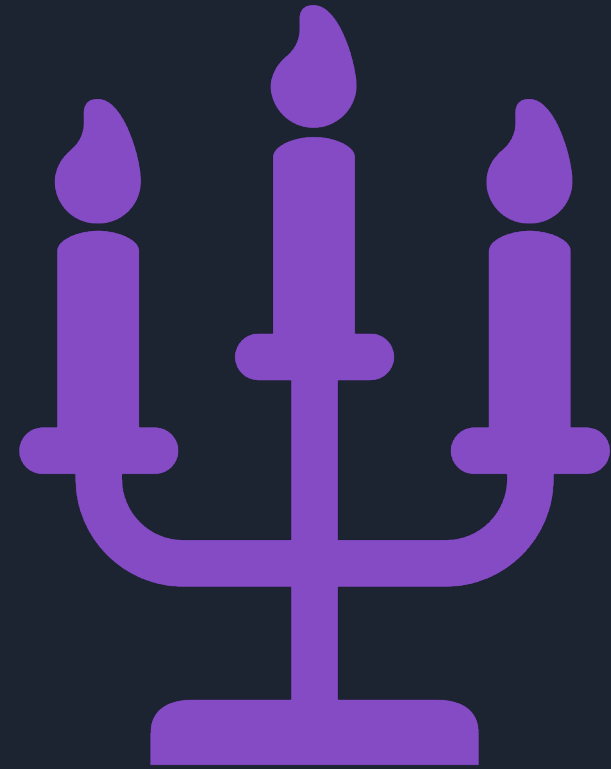

- 
- Isaiah says the glory of God fills the temple, fills all of nature, fills the world, waterfalls, gardens, oceans etc.
 - Romans 6:4-6 Paul says it was by the glory of God, Jesus Christ our savior God was raised from the dead.
 - I thank you Lord, by the blood of Christ you fill me you surround me, my body, my soul, my heart. You regenerate me, you give me new life by the blood of Christ, which washes me and cleanses me.

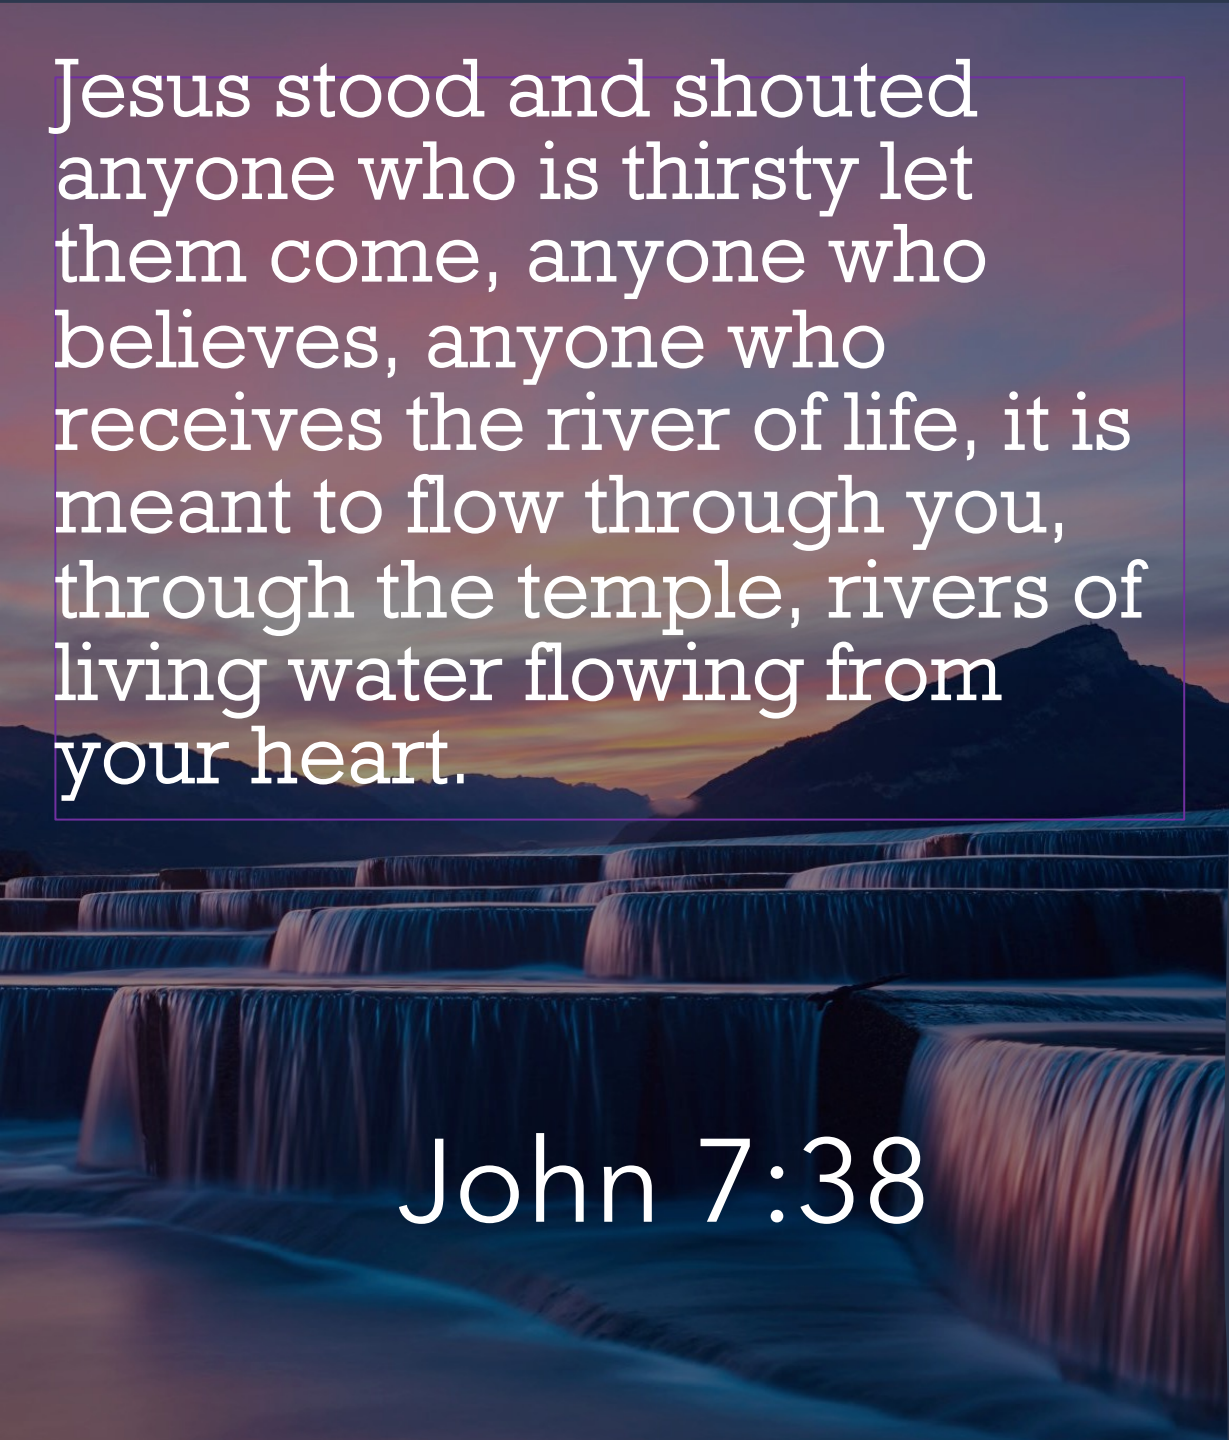

In every place that my temple has been desecrated, I believe you and I receive your Regenerative truth, your provision, your restoration, your love, and your presence.

1 Corinthians 3:17 says that Christians are now the temple.

1 Corinthians 6:19 says that our body is the temple

- Ephesians 2:21 says we now are together with Christ Jesus and become his holy temple.
- Into our soul and body and heart, now flow the river of life

Jesus stood and shouted
anyone who is thirsty let
them come, anyone who
believes, anyone who
receives the river of life, it is
meant to flow through you,
through the temple, rivers of
living water flowing from
your heart.

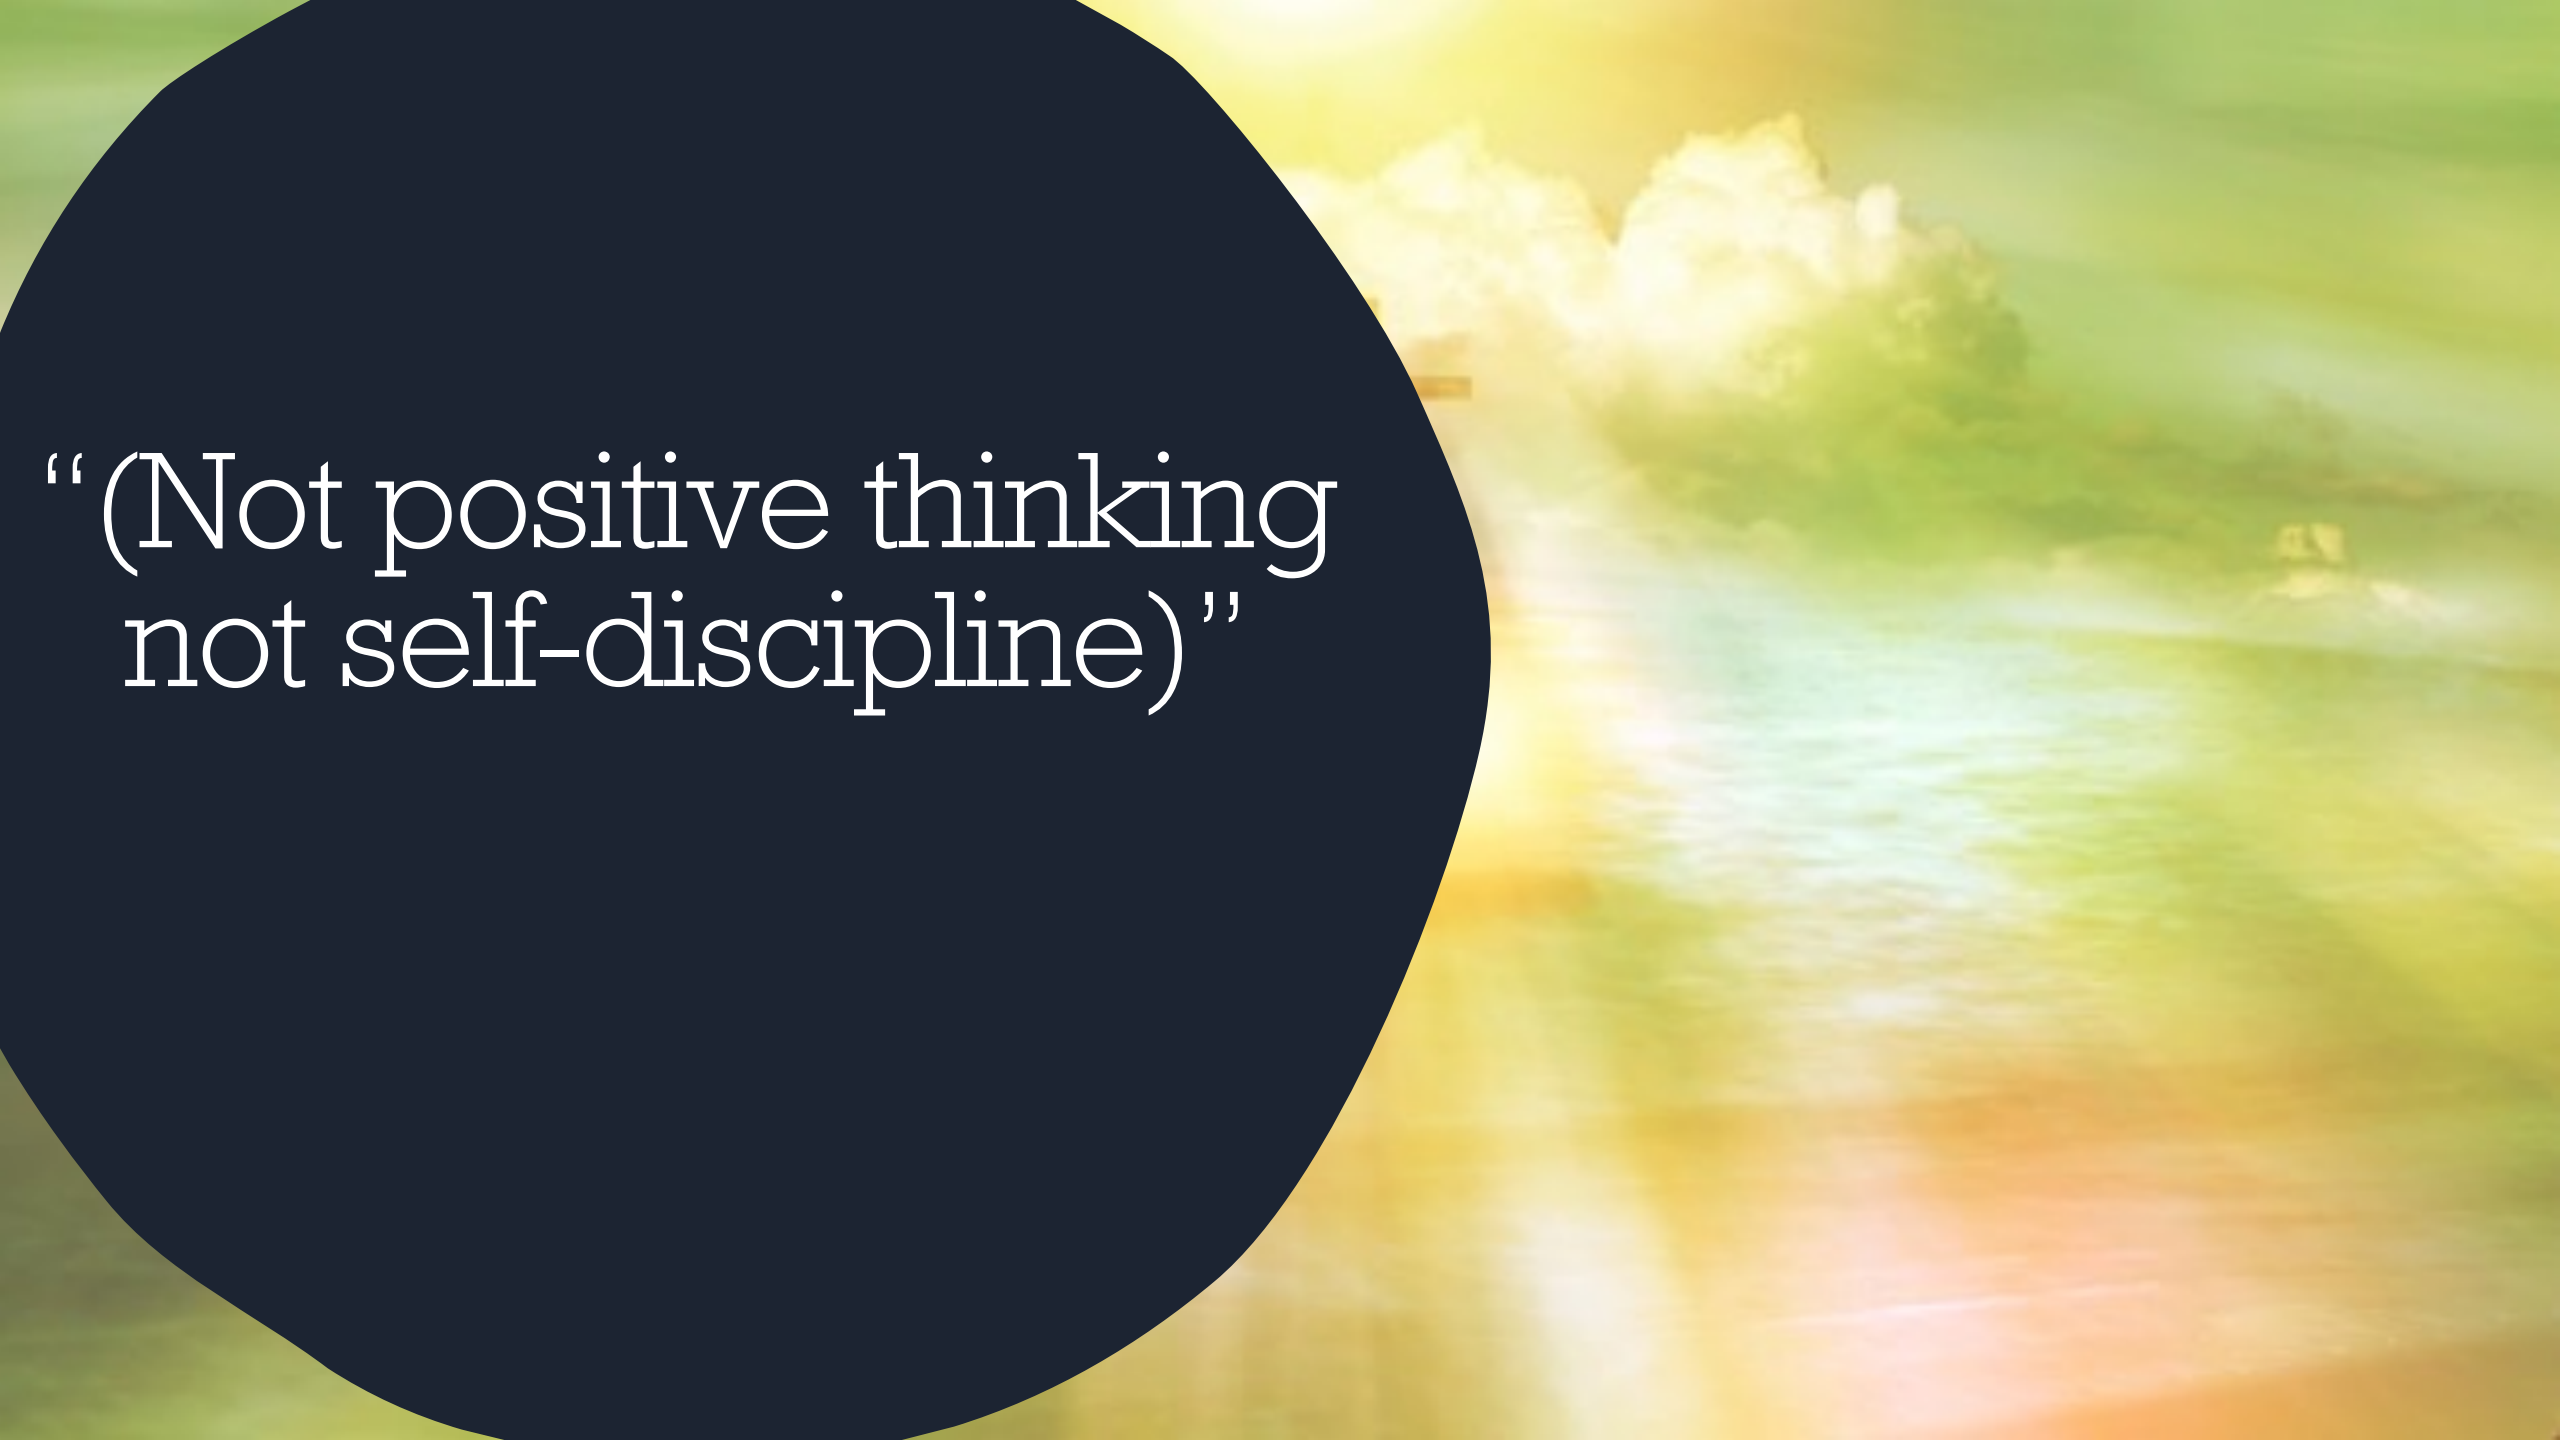

John 7:38

- John sees in revelation, the river flowing down the main street, flowing from the temple, where this water flows everything will live. We are trees planted by the water.
- John says anyone who believes and receives Christ Jesus, the river will flow from the heart, replenishing and restoring and renewing life. New life will flourish

We are now to be outposts of the very presence of God.

- Having had a new birth experience
- That new life is the antidote for all that death has released in this world, for the destruction and for the suffering for the damage places in our hearts.
- God's presence restoring all that has been habitually harmed to places in the heart, for all the places of disappointment, restoring and replenishing and renewing.

“(Not positive thinking
not self-discipline)”

We are born selfish, but when we go to God personally, and we expose our deepest interior wounds, feeling exposed, sharing our wounds and scars, coming to the Lord and receiving Him personally and trust Him placing our faith in Him, believing in Him, we are born again.

Matt 11:28

Jesus says come to me, all of you who are weary and carry heavy burdens, and I will give you rest.

Let anyone who is thirsty come
Isaiah 55:1 is anyone thirsty, come and drink even if you have no money come take your choice of wine or milk it's all free why spend your money on food that does not give you strength why pay for food that does you no good listen and I will tell you where to get food that is good for the soul come to me with your ears, wide-open listen for the life of your soul is at stake I am ready to make an everlasting covenant with you. I will give you all the mercies and unfailing love that I promised

God sends his love to us when we meet Jesus personally guided by the Holy Spirit. We are healed by the Lord.

Jeremiah 29:13 says call on me and search for me with all your heart. You will find me and I will heal you.

Born-Selfish Born Again-Generous

- As we begin to know God; and that his spirit lives in us.
 1. Walking with him as we read his word, and his word reads us.
 2. Talking to God, through prayers, and listening.
 3. Thinking and learning about him. Understanding the truth about him, as his holy spirit applies his truth to us intimately and personally, as only the Holy Spirit can.
